

Confirmation, New Members, and Transfer of Membership

All persons who gather at Bethany United for their spiritual care are part of our church family. Period. However, there are certain types of congregational votes and offices where only "members" can vote or serve. These opportunities are extremely rare but there are many of you who ask me "how one becomes a member of Bethany?"

There are two ways to do this.

- 1) If you are already a member of another church you can write/call that church and ask them to send us confirmation of your membership and your intention to transfer or
- 2) If you not already a member of any church you can participate in one-on-one sessions with Kevin reviewing the United Church history, governance and practice.

The day we would welcome new members, transferred or otherwise, is Palm Sunday, April 5th, 2020. If you are interested in joining the church, please let Kevin know as soon as possible. Obviously the later you leave this, the harder it will be to include you in the April 5th service.
